### AYER'S Cathartic Pills,

(SUGAR COATED,) ARE MADE TO CLEANSE THE BLOOD AND CURE THE SICK. Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and judge of their Virtues.

FOR THE CURE OF FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.
PITTSBURG, Pa., May 1, 1865.

DR. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do mo, the fact is worth knowing.

Yours with great respect,
Clerk of Steumer Carion.

Bilious Disorders and Liver Complaints.
DEPARTAINT OF THE INTERIOR, 
WASHINGTON, D. C., T Feb., 1856. 
Sin: I have used your Pills in my general and hospital practice over since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious discuss so obstinate that it did not readily yield to them.

Fraternally yours,

ALONZO BALL, M. D.,

Physician of the Marine Hospital,

Dysentery, Relax, and Worms.

Physician of the Marine Hoppital,

Dysentery, Relax, and Worms.

Post Office, Hartland, Liv. Co., Mich., Nov. 16, 1855.
Dr. Ayer.: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for mouths. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be prized here.

GEO. J. GRIFFIN, Postmaster.

Indigestion and Impurity of the Blood. From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. Aver: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES. WARSAW, WIOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanee the system and purify the fountains of the blood.

DR. ATER: Your Pills are the paragon of all that is great in medicine. They have qured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother had been long grievous y afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and effectual.

Fits, Suppression, Paralysis, Inflammation, and even Denfness, and Partial Blindness, have been cured by the alterative action of these Pills. Most of the Pills in market contain Mercury, which, al-though a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that fre-quently follow its incautious use. These contain no mer-cury or mineral substance whatever.

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLU-ENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, IN-

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for linduits and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the Cherry Pictoral saves more lives by the yousumptions it prevents than those it cures. Keep it by you, and cure your colds while they are curable, nor neglect them until no human skill can master the inexorable canker tiffit, fasteped on the vitals, eats your life away, all know the drefafful fatality of lung disorders, and as they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and thus afford those who rely on it the best agent which our skill on furnish for their cure. and for the relief of consumptive patients in advanced stages of the disease.

Winter Seat, Mar 22 THE LIVER INVIGARATOR. PREPARED BY DR. SANFORD.

IS a great scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsis to a common head-ache, all of which are the result of a diseased Liver. ache, all of which are the result of a diseased Liver.

The Liver is one of the human body, and when it the powers of the system stomach is almost entirely action of the Liver for the functions. To prove that this reperson troubled with Liver of its forms, has but to trya bottle, and conviction is

One dose taken a short time before enting gives vigor to the appetite, and makes food digest well.

One dose, often repeated, cures Chronic Diarrhbea in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedler remedy in the world, as it never fails.

There is no exaggeration in these statements; they are plain, sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

all who use it are giving their unanimous testimony in its favor.

We take infinite pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of a Billious type. It operates with certainty, and thousandsare willing to testify to its wonderful virtues.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so highly recommend as DR. SANFORD'S INVIGORATOR, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificates have been given to the great virtue of this medicine by those of the highest standing in society, and we know it to be the best preparation now before the public.—Hudson County Democrat.
